Wraparound Care Charges from January 2027

Dear Families,

I am writing to let you know that, from January 2027, there will be an increase in the cost of our wraparound care provision.

We have not taken this decision lightly. Like many schools and childcare providers, we have experienced cost increases across a range of areas, including staffing, utilities, resources, and day-to-day running expenses. To maintain the quality and sustainability of our provision, we have needed to review our charges.

As part of this process, we have benchmarked our fees against those of other local primary schools. Following that review, we remain confident that our wraparound care continues to offer value for money and provides a safe, supportive and engaging environment for children before and after the school day.

From January 2027, the revised charges will be:

Breakfast Club	After School Club
• 7:45am to 8:30am: £5.00 flat fee	• Half session: £6.00 • Following a school club: £6.00 • Full session until 5:30pm: £12.00

We appreciate your understanding and ongoing support as we seek to maintain high-quality provision for our children and families. If you have any questions or concerns, please do not hesitate to contact your respective school office.

Yours sincerely,

Matt Dean
Interim Executive Headteacher
