Dear Lindsey and Stewart

I am writing on behalf of the Diocese of Chichester Board of Education to congratulate you on the outcome of your Ofsted inspection last term. We are always delighted when one of the schools in our diocesan family has its effectiveness and successes confirmed in this way by external inspectors.

It is testament to the work of school leaders, federation governors and staff that the report recognised the positive impact of the school joining the Skylark Federation, noting that high expectations for every child have been re-established. The inspector also noted the positive work that has taken place to strengthen SEND provision within the school. Pupils are given opportunities to flourish not only academically but are also encouraged to pursue their talents and interests through a wide range of extra-curricular opportunities, trips and visits.

On a personal note, I would like to thank you, your governors, and staff for all your hard work and commitment as reflected in the inspection report. Whilst I know the demands of daily life rarely ease, I hope you find plenty of opportunity to enjoy this report as a community. Many congratulations, once again, and every good wish for the future.

Yours sincerely

Lesley Hurst
