Dear Parents and Carers

## School lunch for Reception children

Once your children attend school full time they will be staying for lunch.

School meals are provided by Chartwells, in partnership with East Sussex County Council, and are cooked on site by our catering manager.

The Government introduced Universal Infant Free School Meals (UIFSM) in September 2014, and therefore there is no charge for your son or daughter to enjoy our delicious meals. Some pupils are eligible to receive Free School Meals. This is a separate entitlement to the new *UIFSM*, and we would ask that if feel you are entitled to this please go to this webpage:

<https://www.eastsussex.gov.uk/education-learning/schools/school-life/school-meals/free-school-meals>

This will enable the school to receive valuable extra funding and will enhance the learning opportunities provided for your child.

We are happy for children to have packed lunches on some days and school meals on other days. Please ensure that your child knows each morning whether they are having a school lunch or if they are bringing a packed lunch and we will help them choose their lunch when they arrive in the morning.

If bringing packed lunch please ensure that their lunchbox is clearly named, that they have no products with nuts in and that they have no fizzy drinks.

If your child has any specific dietary requirements, the catering team will provide an adapted menu. Please complete the Medical Dietary Request / Parent confirmation form in this welcome pack and then the catering team will provide you with an appropriate menu.

If you have any questions, please contact the school office.

Yours sincerely

Karen Knight  
School Secretary, Iford and Kingston School Office
